

Asian Adult Adoptees of Washington Adoptee Mentorship Program Background Check Authorization

Thank you for your interest in being a mentor for the AAW Adoptee Mentorship Program (AMP). We take the safety of our program participants very seriously. We require that all mentors, consistent volunteers, and potential mentors who want to attend a program session complete a background check prior to participating in a monthly event with mentees present. By completing and returning this form to an AMP Chair, you give permission for an AAW AMP representative to run a background check on you. If the background check is returned indicating any past criminal activity involving children, you might not be permitted to participate with AMP.
